By John H Lettau

Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. FUN WITH PHONICS has been designed to provide classroom teachers with motivational material that will fulfill the the students needs and interests in learning reading. A classroom environment which provides learning experiences in line with the developmental needs of today s children is essential before students are able to learn. The assignments in this book have several objectives: (1) recognition of initial consonant sounds, (2) recognition of final consonant sounds, (3) recognition of short vowel sounds and (4) recognition of long vowel sounds. The basic format requires students to: (1) review directions, (2) complete the color key.this can be student elected or teacher assigned and (3) complete the design using the color key as a guide. The worksheets may be used with equal effectiveness in learning centers, individual instruction, small group, whole class and/or remedial instruction. The author grants permission to teachers to reproduce any part of this book for classroom use. You may also be interested in Aztec Reading Book 12 designed for grades 1-3 available from Amazon.
