Xulon Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.ABOUT THE BOOK Kingdom Poetry is a product of my desire to use my God-given talent to serve the Lord. I have always thought of using gift of prose poetry to write a unique book of Christian teachings in such a way as to attract wide readership. The poems are highly simplified and touch various topical issues in modern Christianity, ranging from homosexuality to unity in the body of Christ. There are other poems in the book that are dedicated to holy engagements; wedding; new-born baby; birthday; graduation ceremony; conflicts in Christian homes and Christian home-calling. Bearing in mind all classes of English readers, I have employed the use of simple English and picture illustrations to ensure that the book does not look academic, and thereby discourage readers. I permit free use of the poems ONLY at Christian gatherings and/or for Christian purposes.
