

Bridge-Building to Nowhere: The Catholic Church's Case Study in Interfaith Delusion

By Stephen Coughlin

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. In this new monograph by Islamic Law-nexus-to-terrorism expert Stephen Coughlin, the Center for Security Policy is pleased to offer a frank and insightful look at how jihadist groups like the Muslim Brotherhood and the Organization of Islamic Cooperation take calculated advantage of liberal mindsets among Catholics—from the lay faithful through the clerical hierarchy and all the way to the Vatican itself. Such mindsets are often all too ready to surrender steadfast adherence to doctrinal Church teaching in order to win approval from cynical Islamic suitors whose true (but well-disguised) purpose is neutralization of Catholic opposition to their shariah agenda.
