Siblings: The Autism Spectrum Through Our Eyes

By Jane Johnson, Anne Van Rensselaer

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, *Siblings: The Autism Spectrum Through Our Eyes*, Jane Johnson, Anne Van Rensselaer, Growing up with a sibling on the autistic spectrum can be difficult, and the needs of a child with autism often overwhelm a family, leaving neurotypical children feeling overshadowed. For the first time, the 'neurotypical' siblings get to have their say. They recount the good, the bad, and the downright annoying in a way that all young people in a similar situation will immediately recognise. Young siblings of all ages candidly recount how being 'the neurotypical one' can be tiring, frustrating, and lonely, but equally rewarding, and every story is injected with wisdom gained by young people who often have to grow up a lot more quickly than their peers. This book is essential reading for children and teenagers with a sibling on the autistic spectrum, and for parents wishing to understand how autism in the family will affect their neurotypical child.

Reviews

The publication is fantastic and great. It really is basic but shocks from the 50 percent from the ebook. Its been written in an remarkably easy way in fact it is only soon after i finished reading this ebook in which really changed me, alter the way in my opinion.

-- **Jayme Kuhlman**

Very helpful for all type of individuals. It is amongst the most incredible ebook i have got study. I am just very easily could get a satisfaction of reading a composed publication.
