Are You Pissed Off That Life Didn't Come With An Instruction Manual? Do you find yourself struggling to figure out what you really want in life? Or do you know exactly what you want, but can't ever get it because you're trapped by fears, unwanted thoughts, and unshakeable habits? Are you successful in certain areas, but still feel like something is missing in your relationships, finances, physical health, or overall happiness? No matter what your challenge is, the root cause of why we get stuck in any area of life is fundamentally the same. The good news is that when you understand what's really been secretly holding you back, you'll finally have the map for how to escape. You're about to discover: The secret to getting answers when you're feeling lost, confused, and have no idea what to do or where to even begin. How to tap into your inner strength to experience more motivation, happiness, and fulfillment on demand - regardless of what's happening in your life. How to get whatever you want even if you're stressed out, busy, or have a million excuses. What the 6 things are that drive all of your behavior and how to tap into them to reprogram any thought or habit on a neurological level. What the most common fear is that holds people back, and why you'll never overcome it until you understand this one simple thing. Why it's impossible to remove a bad habit, and what you must do instead. Why a force stronger than willpower may be your missing link to getting yourself out of any rut. Why...
