Andrews McMeel Publishing, United States, 2010. Paperback. Book Condition: New. Original.. 173 x 127 mm. Language: English . Brand New Book. Best-selling author Leland Gregory—who has so entertainingly highlighted humanity's stupidity in the areas of crime, business, love, politics, cruelty, and history—is back with *Stupid California*. This time, Gregory builds a case for the common suspicion that Californians, from movie moguls to beach bums, have a special affinity for idiocy. Culled from print, online, and broadcast sources, *Stupid California* is a hilarious collection of true stories, trivia, and factoids about the Golden State, such as: California's state animal is the California grizzly bear, which is also on the state flag. The bear was honoured in 1953, a full 31 years after the last known bear in the state was killed. During the 1980s, in a bold stroke against terrorism, the Chico City Council banned nuclear weapons, enacting a mandatory \$500 fine for anyone detonating a nuclear weapon within city limits.
