What if man's thirst for knowledge resulted in its own destruction? Richard Draven is a scientist interested in the healing properties of primates and transferring them to humans. When he discovers a new species of monkey with amazing regenerative powers, he has no idea that his report will set off a chain of events with dire consequences. Six years later, and Draven's research has been put into practice. The government has engineered a virus which has begun human trials. Its job - to make the armed forces of the world better, stronger, faster in their numerous conflicts across the globe. Something however is not right. Disturbing reports about the behaviour of those modified by the virus are growing in number raising concerns amongst those in charge that something has gone wrong. As the Apex teams go dark and stop responding to orders, the government discover that there is a much more sinister force at work. Joshua Cook is the alpha male, the first man to be administered the virus and bond...
