

Gomery's Blinders and Canadian Federalism

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

(Robyn Nolan)

University of Ottawa Press. Paperback. Book Condition: new. BRAND NEW, Gomery's Blinders and Canadian Federalism, Ruth Hubbard, Gilles Paquet, In 2004, Paul Martin asked Justice John Gomery to lead a public inquiry into potential misspending in the federal Sponsorship Program, a relatively small investment of taxpayers' money to try to convince Quebecers of the benefits of Canadian federalism in the aftermath of the 1995 referendum on Quebec separation. The Gomery inquiry chose to focus exclusively on the sordid details of the money laundering and paid no attention to the deeper causes and sources of the problem: the dysfunctions of an existing centralized governing apparatus that is tearing the fabric of the country apart and the collusion of centralizing groups defending the status quo.
