The Modern Day Matchmaker presents a refreshingly optimistic and plainspoken dating guide to finding romance both on- and off-line. Finding and keeping a mate has never been harder. New rules are needed to navigate the complicated and changing modern-love landscape. If someone wants to find the one, what are the guidelines he or she needs to know, now that online dating and Google-searching a prospective love interest are the norm? Happily married for ten years, Paul Carrick Brunson is a husband, a father, and a rising star in the matchmaking world. In *It's Complicated (But It Doesn't Have to Be)*, Brunson tackles relevant questions such as: Is marriage right for my personality type? Do the rules of chivalry still apply? How can I date more than one person without hurt feelings? What is the best mode of communication (text messages, phone, e-mail, etc.) for asking someone out? With an appealing mix of humor, candor, and real-world examples, *It's Complicated (But It Doesn't Have to Be)* is a breath of fresh air in the dating guide category, offering a message of eternal optimism from a man who believes in true love and practices what he preaches.
