Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. Its been designed in an exceptionally simple way and is particularly only right after i finished reading this ebook in which basically modified me, alter the way i believe.

(Prof. Loyce Runolfsson Jr.)

iUniverse, United States, 2006. Paperback. Book Condition: New. 223 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Baseball is America's pastime. No other sport has so captured our country's spirit and loyalty throughout the ages. We see our shiny-faced heroes on the field, signing autographs, making unbelievable plays, and doing unthinkable athletic feats night after night. We see them beaming at press conferences (always well manicured), answering yes ma am, no ma am, and never missing a beat. The players and heroes on the field are America's champions. But, are they really that way? What about that one? Yes, look at that player over there. The one ogling down that woman's blouse as she leans over to wipe her child's mustard painted face? That guy seems different. Or is he? Most baseball novels follow the standard method described in the opening paragraph. As readers, we never see the real men behind the facade. What if a novel existed for the Maxim crowd about baseball? What if we could see how things really are? Now we can. Follow the always crude and crass Jack Clutch Thompson through a baseball season as he canoodles with monkey (women), plays pranks with his friends and teammates, and tries to break his own personal curse of only succeeding in clutch, pinch hit situations. Open up this novel and see how baseball players really are.
