Electric Traction in Australia. --One of the requisites for the economical working of a large electric tramway is some method of utilising the plant during working hours as uniformly as possible up to its full capacity. One way in which this ideal may be to some extent realised is to dispose of the surplus power to other users during the times when it is not all required for the tramways. The Railway...

### Reviews

*Excellent electronic book and valuable one. Better then never, though i am quite late in start reading this one. I am very easily can get a delight of studying a written book.*

-- Anastacio Kreiger DDS

*This ebook is amazing. It typically will not price excessive. I discovered this pdf from my dad and i recommended this publication to learn.*

-- Rhoda Leffler
